

MOVING THE NEEDLE, TOGETHER:

Highlights from our latest regional dinners

We recently hosted a series of impactful regional gatherings, bringing together our physicians from Pennsylvania, South Jersey, and New York. These evenings were designed to be more than just a dinner; they served as a vital forum for high-level conversations around our latest company updates, marketing wins, and the operational alignment that drives our collective success.

Our Pennsylvania and South Jersey sessions focused on the "beyond the exam room" responsibilities that define modern podiatric leadership. By syncing our strategies and sharing real-world successes, we ensured that every doctor is equipped with the tools and insights needed to thrive while maintaining the highest standards of clinical excellence.

The momentum continued with our New York physicians, providing a wonderful opportunity to reflect on a year of incredible progress. We celebrated our expanding footprint across New York communities and discussed how our strengthened clinical support and operations are directly fueling this growth.

Across all regions, the core of our discussion remained the same: a relentless commitment to elevating foot and ankle medicine. We challenged one another to look past the status quo, focusing on how refined internal processes and collaborative marketing efforts translate into a superior experience for our patients and our teams alike.

We walked away from these events incredibly proud of the leadership and dedication displayed by our regional teams. These moments of face-to-face connection are what allow us to keep pushing the needle forward in podiatry, ensuring we remain the premier providers in every community we serve.

Moving Up in the World! Associate Changes + Promotions

NY26 Conference Recap

Curalta was proud to attend the NY26 Podiatric Conference this year, and what an incredible event it was! The energy, collaboration, and commitment to advancing podiatric care were truly inspiring.

It was a pleasure connecting with so many colleagues, partners, and friends throughout the conference. We especially enjoyed seeing everyone who stopped by our booth to say hello, learn more about Curalta, and share insights about what's happening in their practices.

Conferences like NY26 remind us why we're so passionate about supporting podiatrists — the dedication to patient care and innovation across our profession continues to raise the bar.

Curalta Nanuet Grand Reopening Congratulations Dr. Fessel, Dr. Cohen + Team

What a day in Nanuet! We officially celebrated the Grand Reopening of our refreshed office at **25 Smith Street**, and it was an absolute joy welcoming the community into our new space. We want to extend a sincere thank you to the **Town of Clarkstown**, the **Nanuet Chamber of Commerce**, and **Councilman Bob Axelrod** for joining Dr. Steven Fessel, Dr. Yitzchak Cohen, and the Curalta team for our official ribbon-cutting festivities. From sports injuries and orthotics to advanced surgery, **Curalta Foot + Ankle** remains dedicated to providing top-tier podiatric care to our neighbors. Here's to healthy steps and many more milestones ahead!
